Notes: * Outpatient includes rotations at the student counseling clinic, integrated care at the family medicine clinic, TMS, and integrated care at the pain clinic. Each week, four clinic days are at Site 1 and one clinic day is at Site 6. PGY3 residents also share in the weekend inpatient call rotation at Site 3 for a total of 4-5 weekends per resident through the third year. In addition, on a flexible timeline, PGY3 residents perform one formal forensic evaluation and prepare a report.

- Site Key:**
- Site 1** Marshall University School of Medicine UPS Clinics
 - Site 2** Cabell Huntington Hospital
 - Site 3** St. Mary’s Medical Center
 - Site 4** River Park Hospital
 - Site 5** Mildred Mitchell-Bateman Hospital
