

MARSHALL UNIVERSITY
GRADUATE MEDICAL EDUCATION

I'M A LEADER.

The dynamic residency and fellowship experience at Marshall University will help you develop skills as a physician leader ready to enter a variety of practice settings or fellowship training.

The Marshall University Joan C. Edwards School of Medicine offers 24 residency and fellowship programs accredited by the Accreditation Council for Graduate Medical Education (ACGME) and Commission on Dental Accreditation (CODA), creating a well-rounded, immersive experience for every trainee.

Our commitment to Diversity & Inclusion

We view diversity as a strength and are committed to creating a training experience to improve care and reduce inequities in the communities we serve. We work closely with the Office of Diversity & Inclusion to recruit, educate, and retain a diverse physician workforce to care for all patient populations.

Enjoy all West Virginia has to offer at Marshall

The natural beauty of West Virginia is unmatched. Our trainees enjoy whitewater rafting, fishing, camping, ziplining, mountain biking, hiking and much more at one of our many state parks or America's newest national forest. Home to the world-class Greenbrier Resort, breathtaking scenery and a variety of fairs and festivals, cultural and historic attractions, West Virginia is an ideal spot to plan your next adventure.

The City of Huntington

Huntington is located in the Tri-State region of West Virginia, Ohio and Kentucky. A beautiful river town with a population of about 49,000, Huntington is the center of activity for social and cultural events that attract the more than 365,000 people living throughout the Tri-State.

Home to Marshall University, the city boasts an ever-growing, diverse campus with a number of accredited undergraduate, graduate and post-graduate programs, including medicine, pharmacy and physical therapy.
