

## **RESIDENT ELIGIBILITY**

Applicants to Marshall University School of Medicine's Residency programs are eligible for appointment if they meet one of the following criteria:

1. Graduates of medical schools in the United States and Canada accredited by the Liaison Committee on Medical Education (LCME).
2. Graduates of colleges of osteopathic medicine in the United States accredited by the American Osteopathic Association (AOA).
3. Graduates of medical schools outside the United States and Canada who meet one of the following qualifications:
  - a. Have received a currently valid certificate from the Educational Commission for Foreign Medical Graduates and maintain a valid visa. Only J-1 training visas are acceptable.
  - b. Have a full and unrestricted license to practice medicine in an U.S. licensing jurisdiction.
4. Graduates of medical schools outside the United States who have completed a Fifth Pathway program provided by an LCME-accredited medical school.

All programs must select residents based on their preparedness, ability, aptitude, academic credentials, communication skills, and personal qualities. Programs may not discriminate on the basis of sex, race, age, religion, color, national origin, disability or veteran status.
