

Immunization Policy

To ensure compliance with the current recommendations of the Association of American Medical Colleges and Centers for Disease Control (CDC), all matriculating, transfer and current students of the Marshall University School of Medicine are required to present proof of immunity for the following:

1. Rubella (German Measles)- copy of titer required
2. Rubeola (Measles)- copy of titer required
3. Mumps – copy of titer required
4. Varicella (Chicken Pox)-2 immunizations or history of disease AND copy of titer required
5. Hepatitis B-series of vaccines and copy of titer required
6. Tdap (or Td if Tdap contraindicated) administered in the last 10 years
7. Polio vaccination record
8. TB test performed within 6 months of start of rotation. This could be a TB skin test, Quantiferon or T Spot blood test, or a chest x-ray performed within 1 year of start of rotation.
