MARSHALL UNIVERSITY SCHOOL OF MEDICINE

INTERNAL MEDICINE RESIDENCY TRAINING PROGRAM

LETTER OF AGREEMENT FOR THE COOPERATIVE TRAINING OF RESIDENTS/FELLOWS FROM MARSHALL UNIVERSITY JOAN C. EDWARDS SCHOOL OF MEDICINE (MUSOM) AND VETERANS ADMINISTRATION MEDICAL CENTER (VAMC).

This letter of agreement is an educational statement that sets forth important points of agreement between Marshall University School of Medicine (MUSOM) and VETERANS ADMINISTRATION MEDICAL CENTER. This statement of educational purpose does not affect current contracts and institutional affiliation agreements between the two institutions.

This Letter of Agreement is effective from July 1, 2015, and will remain in effect for three (3) years, or until updated, changed, or terminated by the INTERNAL MEDICINE RESIDENCY PROGRAM and/or VETERANS ADMINISTRATION MEDICAL CENTER. Such changes must be communicated with the MUSOM Office of Graduate Medical Education.

Persons Responsible for Education and Supervision

At MUSOM: Mehiar El-Hamdani, M.D., Program Director

At VAMC:
- Samson Teka, M.D., Site Director
- Samson Teka, M.D., for Inpatient General Internal Medicine
- Harold Cook, M.D., for Anesthesia rotations
- Nathan Vaughan, M.D., for Cardiology rotations
- Nancy Munn, M.D., for Pulmonary Medicine rotations
- Zeid Khitan, M.D., for Nephrology rotations
- Lawrence Clapp, M.D., for Neurology rotations
- Scott Moore, M.D., for Radiology rotations
- Ralph Webb, M.D., for Rheumatology rotations
- John W. Leidy, Jr., M.D., for Endocrinology rotations
- Stephanie Farha, O.D., for Optometry rotations

The above mentioned people are responsible for the education and supervision of the residents/fellows while rotating at the Participating Site.
1. Responsibilities

The faculty at the Participating Site must provide appropriate supervision of residents/fellows in patient care activities and maintain a learning environment conducive to educating the residents/fellows in the ACGME competency areas. The faculty must evaluate resident performance in a timely manner during each rotation or similar educational assignment and document this evaluation at completion of the assignment.

2. Content and Duration of the Educational Experiences

The content of the educational experiences has been developed according to ACGME Residency/Fellowship Program Requirements and are delineated in the attached goals and objectives for each rotation.

As program director, Dr. Mehiar El-Hamdani, is ultimately responsible for the content and conduct of the educational activities at all sites, including VETERANS ADMINISTRATION MEDICAL CENTER. The program director, Participating Site director and the faculty are responsible for the day-to-day activities of the residents/fellows to ensure that the outlined goals and objectives are met during the course of the educational experiences.

Rotations may be in two (2) week blocks, but generally rotations are a month in duration.

The day-to-day supervision and oversight of resident/fellow activities will be determined by the specialty service where they are assigned. Betty Jo Morrell, Program Coordinator, is responsible for oversight of some resident/fellow activities, including coordination of evaluations, arrangements of conferences, sick leave, annual leave and benefits.

3. Assignments

MUSOM will provide to VETERANS ADMINISTRATION MEDICAL CENTER the name of the resident(s)/fellow(s) assigned to the site, the service they will be training on and other relevant information. Residents/fellows will remain on MUSOM’s payroll; remain eligible for all resident benefits, including annual leave, sick leave, and health insurance, etc. Resident's will be covered under MUSOM'S malpractice policy in the amount of one million dollars per occurrence. The policy also provides tail coverage and legal defense.
4. Responsibility for supervision and evaluation of residents

Residents will be expected to behave as peers to the faculty, but be supervised in all their activities commensurate with the complexity of care being given and the resident's own abilities and level of training. Such activities include, but are not limited to the following:

- Patient care in clinics, inpatient wards and emergencies
- Conferences and lectures
- Interactions with administrative staff and nursing personnel
- Diagnostic and therapeutic procedures
- Intensive Care unit or Ward patient care

The evaluation form will be developed and administered by the Internal Medicine Residency Program. Residents will be given the opportunity to evaluate the teaching faculty, clinical rotation and Participating Site at the conclusion of the assignment.

5. Policies and Procedures for Education

During assignments to VETERANS ADMINISTRATION MEDICAL CENTER, residents/fellows will be under the general direction of MUSOM's Graduate Medical Education Committee's and Marshall University Internal Medicine's Policy and Procedure Manual as well as the policies and procedures of the Participating Site for patient confidentiality, patient safety, medical records, etc.
