Byrd Clinical Center (BCC)
1249 15th Street

Access: Medical students have 24/7 swipe card access to the BCC (student floor only). Swipe access before or after regular business hours is through the single door to the right of the main BCC entrance.

Study Space: There are four small group rooms that can accommodate about 4 students each (group study) and in the computer lab, there are currently 10 study carrels with an additional 8 carrels to be added in the near future. The large auditorium/classroom is available for study space as is the Clinical Skills Laboratory (swipe card access) which can accommodate about 15 students. The lobby of the BCC is configured as a multi-purpose space with 8 individual carrels, 3 study tables, and comfortable seating. Recreational equipment will be available for student use by October 2012. The auditorium/classroom can be used for individual study when class is not in session.

Parking: Parking on the street level parking deck is restricted to patients only between the hours of 7:00 a.m. - 5:00 p.m. Monday through Friday. Faculty, staff, and students are not permitted to park on the patient deck during these hours and will be subject to towing without advance warning. The field level and intermediate level parking decks are available for all occupants of the building. Everyone choosing to park on the intermediate deck should exercise extra caution as this area is somewhat obstructed from general lines of sight and may pose increased security risks although cameras, lighting, and emergency call boxes are installed. Students who intend to access the building after 5 p.m. on weekdays or at any time on weekends (during permitted hours) must move their vehicles to the street level parking deck.

Shuttle Bus: A shuttle bus is available to transport students to and from the BCC to the MUMC. This service is offered 24 hours a day, 7 days a week. To schedule transportation, contact the shuttle bus driver at (304) 544-7433. Security: A security officer is present in the building or on the grounds at all times and is available by cell phone (304-634-5166) to address non-emergent or less serious security concerns.
