

CLER SITE VISIT

5 KEY QUESTIONS

- 1) Who and what in the school and hospital are responsible for the structure and oversight of the 6 CLER focus areas?
- 2) How integrated is the GME leadership and faculty in institutional efforts across the 6 focus areas?
- 3) How engaged are the residents and fellows?
- 4) How does the institution determine the success of its efforts to integrate GME into the 6 focus areas?
- 5) What are the areas the institution has identified for improvement?
