Thanks to the many donors who have given $1,000 to endow the "Take a Seat Campaign," the School of Medicine's Educational Technology Fund. David N. Bailey, assistant dean, continuing medical education, will utilize the funds from the endowment to integrate the continuing medical education conference rooms with the Harless Auditorium audio visual capabilities via Wi-Fi, which is now available through the intranet. All audiovisual equipment selected will include the Bluetooth option, which is required for wireless access to the in-house network.

The future plan includes a new lighting system upgrade to provide a "lights up" classroom setting. There are still seats available, and we ask you to join others from the Marshall "family" in taking a seat in the Harless Auditorium. When you make your pledge, the school will inscribe a brass plaque to be placed on the back of a seat. It's a great way to recognize a graduate, remember or honor a loved one or show your support for the School of Medicine. Your generous gift will enable the School of Medicine to maintain and enhance its cutting-edge technological support for health sciences education.

Your gift of $1,000 may be paid over as many as three years and is tax deductible. For more information on the "Take a Seat Campaign," please call **304.691.1711** or toll-free at **877.691.1600** ext. **1711**.
