- I/we wish the gift to honor or memorialize (Recipient's name): _____

Recipient's address: _____

Charge my credit card: American Express MasterCard Visa Discover Check enclosed (payable to Marshall University Foundation)

**Create an endowed \$15,000 scholarship over 4 years while supporting a medical student. Year one through year three requires \$6000 annually which provides a student \$1000 per year for tuition or medical school expenses and \$5,000 per year for the endowment builder; Year four - \$1000.00 to fulfill the \$4000 scholarship to the student. Total commitment is \$19,000.

Assistant Dean, Admissions
and Annual Fund Chair

Hello School of Medicine graduates and friends,

As the assistant dean of admissions for the School of Medicine, I have had the privilege of notifying every graduate of their medical school acceptance and becoming part of their medical education journey. Today's medical education is very costly, as you see from the chart below, and this is why scholarships are a top priority. Why a top priority you ask? Scholarships help me recruit talented future physicians and assist the school in remaining compliant with the LCME guidelines to increase funding for our students. Because of my close involvement with recruitment, admissions, and the fact I know so many of you personally, I am thrilled to serve as the 2018-19 annual fund chair to raise scholarship funds for our students. As a graduate or friend of the School of Medicine, your support is needed and greatly appreciated. Many times I hear my gift wouldn't be large enough to make a difference. Let me assure you, any amount makes a difference from a \$100.00 gift upward to making a \$15,000 endowment, which can be paid over three years, or "Adopt a Medical Student" (details on the giving form). Remember my holiday wish is for you to "Give a Gift for Scholarships". I would love to hear from you. Call me at 304.691.1738 or email me at warren@marshall.edu.

Best wishes and happy holidays,

**Marshall University Joan C. Edwards School of Medicine 2018-19 Academic Year
