

## 2018 Program Results Summary

### Categorical Pediatrics

#### Marshall University School of Medicine Program # 5104

The summary below includes residents who completed training in the above-named program and whose first attempt at a general pediatrics certifying exam was within the past seven years. Residents are listed by the year in which their training was completed. The report is based on all completed test takers as of January 2019.

Year Training Completed	All Residents from This Program								All Residents from All Programs	
	Number	Mean Score	Median Score	Score Range	Certified on First Attempt #	Certified on First Attempt %	Total Certified #	Total Certified %	Certified on First Attempt %	Total Certified %
2012	4	197	195	194-204	4	100	4	100	86	97
2013	4	203	201	193-216	4	100	4	100	83	98
2014	6	196	201	165-222	4	67	6	100	87	97
2015	6	207	200	181-248	6	100	6	100	87	98
2016	5	189	184	181-202	5	100	5	100	82	96
2017	4	202	201	199-206	4	100	4	100	89	95
2018	5	197	202	158-223	4	80	4	80	93	93
2012-2018	34	199	200	158-248	31	91	33	97	87	96

\*RC Reported Value  
2014-2018

23                      88

\*The RC reported value provides the 5-year first-time test taker passing rate as reported to the ACGME's Review Committee (RC) for Pediatrics.
