Agenda

I. Welcome

Dr. James Denvir called the Faculty Council meeting to order on Tuesday June 4 at 5:33 PM.

II. Wellness Committee Update

Dr. Charles Francis sent in an update regarding the Faculty Wellness Program. The committee is in the process of scheduling meetings with two companies, Staywell and Wellsource, to demonstrate their wellness platforms. Staywell leverages application-programming interfaces to collect biometric data and wellness information from multiple sources on an app which is available on your mobile device. Dr. Francis will keep the council updated on the status of the meetings and any further progress with the program.

III. 2019-2020 Faculty Council Members

The elections for the open positions in the 2019-2020 Faculty Council have mostly been filled – Mackenzie is waiting to hear back on the names of two representatives (as shown by the highlighted yellow in the table below). Please see the list of representatives below. After looking over the list of new representatives, the Chair-Elect Dr. Jennifer Gerlach moved to accept the new members, and there was a second. All council members present were in favor and none opposed.
