Graduate Medical Education
2017-2018
Annual Institutional Report

Presented by
Paulette S. Wehner, MD, F.A.C.C., F.C.C.P., F.A.C.P., F.A.H.A.
Vice Dean, Graduate Medical Education
Designated Institutional Official (DIO)
ACGME Required Annual Institutional Review Components

1. Results of Most Recent Institutional Self-Study Visit
2. Results of ACGME Resident & Faculty Surveys
3. Notification of each ACGME accredited program’s accreditation statuses and self-study visits
Results of Most Recent Institutional Self-Study Visit

• Marshall is fully accredited- No visit scheduled.

• Will have one year after ACGME notification to complete self-study

• Marshall Community Health Care Consortium full accredited. No letter received yet.

Results of ACGME Resident Surveys

Survey taken: January 2018 - April 2018

Programs Surveyed 15
Residents Responded 192 / 198
Response Rate 97%

Total Percentage of Compliance by Category

- Clinical Experience and Education: 98.7%
- Faculty: 98.1%
- Evaluation: 96.5%
- Educational Content: 87.7%
- Resources: 89.8%
- Patient Safety/Teamwork: 86.4%
- Overall: 92.8%

Institutional Compliance compared to National Means.
Results of ACGME Faculty Surveys

2017-2018 ACGME Faculty Survey – Aggregated Program Data

Survey taken: January 2018 - April 2018

Programs Surveyed 15
Faculty Responded 109 / 127
Response Rate 86%

Faculty's overall evaluation of the program:
- Very negative: 0%
- Negative: 0%
- Neutral: 3%
- Positive: 9%
- Very positive: 88%

Faculty's evaluation of specific areas:
- Faculty Supervision and Teaching: Institution Mean 4.8, National Mean 4.6
- Educational Content: Institution Mean 4.8, National Mean 4.8
- Resources: Institution Mean 4.7, National Mean 4.4
- Patient Safety: Institution Mean 4.8, National Mean 4.6
- Teamwork: Institution Mean 4.8, National Mean 4.7
2017-2018 In Review

3 Site Visits

- Hematology & Oncology
- Marshall Community Health Consortium
- Clinical Learning Environment Review (CLER)
New Programs/ Sites

• Geri Psychiatry
• Adolescent and Child Psychiatry
• Pulmonary/Critical Care
• Rural Site Approved - Lavalette
Established 2017
Office of GME/Resident Wellness Center
Additional Major Changes During 2017-2018

• Successful Start of Neurology Residents
• Expanded Well-Being Subcommittee – Survey of Clinical Care Team Currently Underway- Now includes CHH reps
• Hired GME Administrative Assistant
• Approved New MED/PEDS Program Director
• Obtained TAGME Certification for 5 GME Administrators, include 2 in GME office – 2 Program Administrators Awaiting Certification Results (FM and Psy)
How Do We Measure If We Are Training Our Residents/Fellows Well?

1) Do we provide new training opportunities and fill our complement?
2) Do our PGY 1’s Pass Step 3?
3) Do Our Graduates Receive Competitive Fellowships?
4) Do Our Graduates Find Jobs?
5) Specialty Passage Rate
Do We Provide New Training Opportunities?
Fill Our Complements?
Yes, We Are Growing!

• Residencies – 10 programs with 187 residents
• Fellowships – 9 programs with 31 fellows
Are The Trainees Able to Pass Boards?
Step 3 Passage Rate
(First Time Takers)

- Requirement for Promotion to PGY 2

Graduates Entering Practice vs. Fellowship

- Practice: 31
- Fellowship: 22
- Without Plans: 0
Practice Plans After Fellowship

- **CVS**: 4 (No of Grads), 4 (Fellowship), 0 (Practice)
- **INT. CVS**: 2, 2, 0
- **ENDO**: 2, 2, 0
- **PULM**: 2, 2, 0
- **SPORTS MED**: 1, 1, 0
- **HEM/ONC**: 2, 2, 0
- **DENTAL**: 2, 2, 0

Legend:
- Blue: No of Grads
- Orange: Fellowship
- Gray: Practice
2018-2019 Challenges

• Trainee Permits - As of July 1, 2019, all trainees must hold an educational permit or medical license- Annual Renewal required; $100 initial and renewal;

• New Common Program Requirements – Phase in Approach – Some New Requirements Subject to Citation July 1, 2017; Rest July 1, 2019;
  • Provide resident/faculty education on Well-Being- How to recognize burnout, depression and substance abuse symptoms in self and others;
  • Provide Trainees and faculty members with summary information of institution's patient safety reports- Close the Loop with Datix Event Reporting;
2018-2019 Challenges continued

New Common Program Requirements (Highlights)

- Provide residents with opportunities to participate as team members in real patient safety activities such as Root Cause Analysis;
- Provide residents with training and experience in how to disclose adverse events to patients and families;
- Programs must provide formal educational activities that promote patient safety-related goals, tools and techniques;
2018-2019 Challenges continued

New Common Program Requirements continued

- Trainees and faculty members must receive data on quality metrics and benchmarks related to their patient populations;
- Trainees and faculty must participate in activities aimed at reducing health care disparities;

Continue the Growth

- Pulmonary/Critical Care Fellowship
- Family Medicine Fellowship in Addiction Medicine
- Emergency Medicine
Wrap Up of 2017-2018

• Much has been accomplished
• 2018-2019 will be busy but exciting time in GME
Thank You!
