## DIVERSITY & INCLUSION

We view diversity as a strength and are committed to creating a training experience to improve care and reduce inequities in the communities we serve. We work closely with the Office of Diversity & Inclusion to recruit, educate, and retain a diverse physician workforce to care for all patient populations.

## About the State of West Virginia

Exhilarate in the lasting beauty and natural wonder scattered throughout West Virginia. Enjoy white water rafting, fishing, camping, zip lining and mountain biking at one of our many state and national forests and experience our unmatched outdoor recreation.

Home to the world-class Greenbrier Resort, breathtaking scenery and a variety of fairs and festivals, cultural and historic attractions, West Virginia is an ideal spot to plan your next adventure.

## About the City of Huntington

Huntington is located in the tri-state area of West Virginia, Ohio and Kentucky. It is a beautiful river town that serves a population around 49,000. As the center of activity for the tri-state area, the city provides social and cultural events for a population of over 365,000.

Home to Marshall University. The city boasts an ever-growing, diverse campus and is proud that MU offers a number of accredited undergraduate, graduate and post-graduate programs, including medicine, pharmacy and physical therapy.
