

Every two years, the Office for Faculty Advancement conducts a need assessment survey to identify areas for professional development that were common concerns for faculty in Teaching, Scholarship, Administrative, and Leadership responsibilities.

The Office for Faculty Advancement would greatly appreciate if you took a few minutes to fill out a need survey for MUSOM faculty development. This will help us in planning and structuring our faculty development opportunities for the new academic year.

## CALL FOR ABSTRACTS

### MENTORING ACROSS THE CONTINUUM: INCORPORATING INCLUSIVE PRACTICE TO FOSTER ACADEMIC SUCCESS

INAUGURAL VIRTUAL MENTORING SYMPOSIUM

**MAY 13, 2022**

HOSTED BY **MARSHALL UNIVERSITY JOAN C. EDWARDS SCHOOL OF MEDICINE**

The mentoring symposium planning committee is soliciting abstracts for small group sessions in the area related to effective mentoring practices or strategies to promote diversity, inclusion, and cross-cultural relationship. The session may also introduce concepts and ideas to promote and develop high-quality connections within the realms of peer mentoring, and multi-generational approaches to mentoring for clinical research, clinical practice, and healthcare education.

Abstract submission should include:

- o Title of the session
- o Name and with institutional affiliation
- o Intended audience
- o Maximum number of attendees
- o Word limit - 300 words or less (excluding authors and affiliations)

Submit your abstract to [facultymentoring@marshall.edu](mailto:facultymentoring@marshall.edu) by April 25, 2022
