Approval of Minutes:

Dr. Andrea Lauffer motioned to approve the Faculty Council Minutes from the September 2021 meeting. Dr. Gary Petty second the motion. All faculty council members present were in favor, the minutes passed.

SOM/MHN Daycare Update:

Mountain Health Network sent an email to all employees with a survey to complete. Sheanna Spence sent out the same survey in the January 10th Dean's Suite email. The Council members thought it would be a good idea to send the survey out to all Faculty/Students/Residents again as a reminder to complete the survey. Mackenzie sent that email on January 20, 2022 after confirmation that the survey remains open by MHN until end of the day January 21, 2022.

Open Forum/Any Concerns:

Dr. Andrea Lauffer raised concerns about the cleanliness of the Pediatric call room. She wondered if any other departments have this same problem. No other council members voiced this same concern; Dr. Chongswatdi said he would tell Dr. Miller during their upcoming meeting.

Dismiss/Next Meeting:

The next Faculty Council meeting will virtually take place on Tuesday February 15 at 5:30pm via Zoom.
