

Women in Medicine & Science Executive Council
Meeting Minutes – April 27, 2022

Executive Council Members in Attendance

Andrea Lauffer, MD; Ginger Boles, PA-C; Vivian Wellington; Noor Rabbani, MBBS

Women in Medicine & Science Networking Event

The Executive Council has decided to postpone this event until Fall 2022. Mackenzie contacted the necessary individuals to cancel what had been reserved, as well as the bursar's office to issue refunds.

The Council will plan an event in September after the Labor Day weekend. This event will be open to all female residents, students, staff, faculty. And hopefully this will be beneficial especially for new residents, students, staff and faculty to Marshall University Joan C. Edwards School of Medicine.
