

VA PARKING PERMIT INFORMATION

July 2023

During your first year of medical school, most of your classes will be held at the Robert W. Coon Education Building on the grounds of the Veterans Affairs Medical Center.

Parking at the VAMC location is free and on a first come first serve basis.

All vehicles must have a permit displayed on the dashboard.

If you drive more than one vehicle, you can have two vehicle permits.

Remember this is a federal installation and fines for illegal parking or speeding are very expensive.
