WHITE COAT AND MEDICAL INSTRUMENTS FOR THE *Class of 2029*

A TIME-HONORED TRADITION

A new class of future physicians is welcomed into the ranks at the annual White Coat Ceremony. This pinnacle moment marks the start of a student's journey to become a physician.

You have the opportunity to be part of the memorable white coat experience. Your gift of \$100, \$200 or more will help carry on this tradition. The coat(s) you sponsor will be placed on the student's shoulders for the first time by individuals who believe in and support them.

As a sponsor, your name will be given to your student(s) and listed in the event program. Once all coats and instruments are sold, additional gifts will go toward the White Coat Ceremony, and donors will be listed as event sponsors. Please make your sponsorship gift no later than **July 15, 2025**, to ensure your student receives his/her coat and medical instruments.

Please join us for the **White Coat Ceremony at 5 p.m., Friday, July 25, 2025**, at **Marshall Health Network Arena**.

For questions or to learn more about ways you can support the School of Medicine, contact **Linda Holmes, Associate Dean, Development and Alumni Affairs**, at **304.691.1711** or **holmes@marshall.edu**.

Please detach, tape ends together and return.

ADOPT A MEDICAL STUDENT

In addition to your white coat and/or medical equipment sponsorship, you can create a \$25,000 endowed scholarship while supporting a medical student with \$4,000 scholarship over five years. During that time, you will also build what will hopefully become a lasting relationship with your student—sharing in their success and milestones throughout their journey to become a physician.
