

*Curriculum vitae***DARSHANA SHAH, PH.D.**

*Marshall University • Joan C. Edwards School of Medicine 1600 Medical Center Drive •
Huntington, WV 25701 Office: (304) 691-8639 • shah@marshall.edu*

EDUCATION

- **Postdoctoral Research Training, Department of Pathology**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1993-1995
- **Ph.D. in Biomedical Sciences**, West Virginia University, Morgantown, WV, 1993
- **M.S. in Microbiology**, University of Maryland, Baltimore, MD, 1987
- **M.Sc. in Microbiology**, Maharaja Sayajirao University, Baroda, India, 1982
- **B.Sc. in Microbiology**, Bombay University, Bombay, India, 1980

CURRENT APPOINTMENTS

- **Founding Editor-in-Chief**, [Marshall Journal of Medicine | Marshall University](#), Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2015-Present
- **Senior Associate Dean, Office for Faculty Advancement**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2024-Present
- **Professor, Department of Pathology**, Marshall University, Joan C. Edwards School of Medicine (JCESOM) Huntington, WV, 2006-Present
- **Course Director**, Fundamental of Team Science (CTS-631), Writing and Peer Review Of Scientific Publication (CTS630), Marshall University . Appalachian Clinical & Translation Science Institute (ACTSI)- 2019- Present
- **Graduate Faculty**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2020-Present
- **Faculty**, Harvard Macy Institute for Innovation in Health Care Education Program, Harvard Medical School, Boston, MA, 2005-Present
- **Senior Advisor**, Mentor Training Program, West Virginia Clinical and Translational Science Institute, 2022- Present
- **Co-Director**, IM-REACH Mentor Certificate Program, International Science of Medical Educator **2022-** Present

PRIOR APPOINTMENTS

- **Learning Community Faculty Advisor**, Executive Leadership in Academic Medicine® (ELAM®), **ELAM** 2016-2022
- **Academic Section Chief, Department of Pathology**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2006-2014
- **Founding Chair, Academy of Medical Educators**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2004-2013
- **Assistant Dean, Professional Development & Medical Education**, Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 2005-2010

- **Course Director, Pathology Course 720/721, Department of Pathology,** Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1998-2008
- **Associate Professor (Joint Appointment), Department of Family and Community Health,** Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1998-2004
- **Graduate Faculty,** Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1997-2005
- **Postdoctoral Fellow (Clinical Instructor), Department of Pathology,** Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1993-1995
- **Graduate Assistant, Department of Microbiology,** Marshall University, Joan C. Edwards School of Medicine (JCESOM), Huntington, WV, 1989-1993
- **Graduate Assistant, Department of Microbiology,** University of Maryland at Baltimore Dental School, Baltimore, MD, 1984-1987
- **Research Associate, Department of Microbiology Research Center,** Hindustan Lever (Subsidiary of Lever Brothers), Bombay, India, 1982-1984

RESEARCH EXPERIENCE

- POST DOCTORAL RESEARCH, Marshall University, Joan C. Edwards School of Medicine (JCESOM)
Heavy Metal Toxicity and Iron Overload
- PH.D. DISSERTATION RESEARCH, West Virginia University
Production of Gliotoxin by Candida Albicans and Its Effect on Human Polymorphonuclear Leukocytes
- M.S. THESIS RESEARCH, University of Maryland
Quantization and Characterization of Bdellovibrios Recovered from Different Estuarine Habitats
- M.S. THESIS RESEARCH, M.S. University, Baroda India
Studies on Production and Properties of Fungal Proteases

IRB Approved Educational Research

- Evaluating the Effectiveness of an Assigned Mentoring Program for Junior Faculty in a Medical School Improving Faculty Retention at JCESOM, 2017-Present
- Measuring Vitality Attributes of Faculty Leaders, 2018-2021
- Results-Based Accountability for “Diversity Initiative” at Marshall University, Joan C. Edwards School of Medicine (JCESOM), 2011-2015
- Practical Pathology Competencies Project for Undergraduate Medical Education (National Collaborative Project), 2012-2014
- Multidisciplinary Perceptions of the Efficacy of Physician-to-Physician Transition of Care: Current Practice and Changes in Perceptions Post-Policy Intervention, 2010-2013
- Residents of Teachers & Leaders (RATL): The Accountability Flexibility, and Usability of Self-Learning Modules in Various Teaching Institutions (Collaborative Project), 2009-2012

GRANTS

Title. West Virginia Clinical and Translational Science Institute: Improving Health through Partnerships and Transformative Research (WVCTSI).

Date: July 2022- 2027

Total Costs: \$20,000,000. PI; Sally Hodder; Gary Rankin, Associate Director; Pilot Program Core

Director. Professional development Core -Senior Advisor Mentor Training Program 15% Effort
Agency. National Institute of General Medical Services, 5U54GM104942-07
Status: Funded

Title: Establishment of Leonard Tow Award for JECsOM Faculty & Students
Date: November 2013-2016
Total Award: \$6,000
Agency: Arnold P. Gold
Foundation Status: funded

Title: Gold Humanism Educational Summit: Focusing on Humanism in Patient Care and Healthcare
Education Date: November 2014
Total Award: \$1,750
Agency: Arnold P. Gold
Foundation Status: funded

Title: Gold Humanism Educational Summit: Focusing on Humanism in Patient Care and Healthcare
Education Date: November 2013
Total Award: \$4,000
Agency: Arnold P. Gold
Foundation Status: funded

Title: Establish the Chapter of the Gold Humanism Honor Society (GHHS) at Marshall University, Joan C. Edwards School of Medicine
Date: 2012
Total Award: \$2,000
Agency: the Arnold P. Gold
Foundation Status: funded, complete

Title: Promote Scholarship in Medical Education within School of Medicine
Faculty Total Award: \$5,000
Agency: The Huntington Foundation,
Inc Status: funded, complete

Title: Creating a Faculty Newsletter, PEN (Professional Enhancement Newsletter), for Faculty to Share Professional Accomplishments
Date: 2008
Total Award: \$5,000
Agency: The Huntington Foundation,
Inc. Status: funded, complete

Title: Offering Educational Grand Rounds to Medical School
Faculty Date: 2007
Total Award: \$2,500
Agency: Amgen Educational
Grant Status: funded, complete

Title: Creating the Joan C. Edwards School of Medicine Academy of Medical Educators
Date: 2005
Total Award: \$5,000
Agency: The Huntington Foundation,
Inc. Status: funded, complete

Title: Building a Community of Teachers as

Learners Date: 2004

Total Award: \$3,000

Agency: INCO Group Grant

Status: funded, complete

Educational Grant: Co-PI (60%)

Title: An Innovative Educational Intervention for Training Tomorrow's Physicians for the Management of Cancer during Pre-clinical years

Date: 2007

Total Award: \$30,000

Agency: C-Change Cancer Core Competency

Initiative Status: funded, completed

TEACHING EXPERIENCE

- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Principle of Disease MDC-750, 14-16 hours, 2008-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Disease and Therapeutics I-IV, 4-6 hours, 2008-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Elements of Medicine, 2 hours, 2020-Present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), PA program, Introduction to Microbiology and Immunology, 2020-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), High School Pipeline Program Introduction to Career and Opportunities in Health Professions, 2018-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), 10-12 hrs. CTS-630 Scientific Writing; 2016-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Team Science, 20-24hrs. CTS-630 Team Science; 2016-present
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Academy of Medical Educators, 10-12 hours, 2006-2013
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Academic Medicine IDM-801, 2 weeks (30 hours), 2006-2011 (additional role: Course Director)
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Integrative Medicine Elective FCH, 6-8 hours, 1995-2002
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Pathology, 720 and 721, 26-28 hours, 1995-2008 (additional role: Course Director)
- Marshall University, Joan C. Edwards School of Medicine (JCESOM), Bacteriology Section of Medical Microbiology, 30-60 hours, 1994-1995
- West Virginia State College, Instructor Microbiology, 30 hours, 1991-1993

COURSES TAUGHT

- Academic Medicine
- Integrative Medicine
- Pathology
- Bacteriology

- Microbiology

COURSES DEVELOPED AND INTRODUCED

- Clinical Translation Science (CTS): CTS-630, Fundamental of Team Science
- CTS-631, Scholarly Writing for Publication, 2016
- Gold Humanism Educational Summit, a state-wide conference for health professions, 2014
- Teaching and Leadership Enhancement Training, for resident physicians at JCESOM, 2011
- Academic Medicine, an elective designed to teach JCESOM senior medical students the skills required as an effective educator in an academic medical center, 2006
- Joan C. Edwards School of Medicine (JCESOM), Academy of Medical Educators, a faculty development program designed to recognize and support outstanding JCESOM faculty, 2005

HONORS AND AWARDS

- Honorary Alumnus Award, Marshall University Joan C. Edwards School of Medicine
Awarded in recognition of distinguished service to the School of Medicine and the broader medical community. Honored for significant contributions to medical education, faculty advancement, and institutional development, playing a vital role in shaping the future of physician training and enriching the academic fabric of the school. April 2025
- Honor of Recognition, for advancing faculty development and co-leading mentoring and leadership initiatives supporting clinical and translation scientists. West Virginia Clinical Translation Science Institute, February 2025
- Drs. Joseph B. and Omayma T. Touma Excellence in Diversity Lifetime Achievement Award for outstanding professional contributions to enhancing the practice of equality and diversity, August 2020
- Marshall University Women of Color Award for her dedication to increasing respect for women of color and promotion of multicultural understanding and gender equality at Marshall University. March 2020
- Master Educator Award, Marshall University, JCESOM, Huntington, WV, May 2005
- Selected by the 2005 JCESOM graduating class as the faculty member (the first basic science faculty to receive this honor) for the hooding of graduates at the Investiture Ceremony
- Nominated and selected as a finalist for the Reynolds Award for Outstanding Teaching at the University Level, August 2004 and 2005
- Outstanding Instructor of the Year, Class of 2006, August 2004
- Golden Apple Award from the American Medical Student Association, August 2004
- Outstanding Professor of the Year, Class of 2005, August 2003
- Outstanding Course Director, Class of 2001, August 1999
- Career Enhancement Award (CEA) presented by the West Virginia Chapter of the Association for Women in Science (AWIS), April 1998
- Sigma Xi Certificate of Excellence for Outstanding Student Research Paper. Award presented by the Allegheny Branch of the American Society for Microbiology (ASM), October 1988

Plenary or Invited Keynote Presentations

- "Mastering the art of Mentorship facing and fixing Challenges" WV University School of Medicine, February 2025
- Panellist, symposium: "Pathways into medical education: The role of faculty development communities and mentoring programs in building a career as healthcare educator" Kathryn N Huggett, **Darshana Shah**, Aviad Haramati, Peter GM de Jong, Ardi Findyartini, The Association for Medical Education in Europe (AMEE), Basel, Switzerland, August 2024
- Panelist, pre-conference workshop: "Solution and strategies for New Faculty Affairs and Development Leaders in academic medicine", GFA Professional Development Conference, July 2024
- Panelist, AAMC Webinar, "Medical Education Three Years after COVID: Faculty and Staff Engagement", February 2024
- "Revitalizing the Faculty: Nurturing Passion, Resilience, and Innovation in Academia" Department of Psychiatry & Behavioral Sciences at McGovern Medical School at the University of Texas Health Science Center at Houston, September 2023
- "Strategies to promote Faculty Vitality in Academic Medicine" American Association of Medical Colleges (AAMC) Group on Faculty Affairs. September 2018
- "Mentors and Sponsors: What's the difference? Why do we need both?" The National Association of Medical Minority Educators, Inc. (NAMME), Annual Conference, September 2016
- "Pearls for successful publication in peer-reviewed journal" WVU, Eastern Division Research Symposium and Faculty Development Days, April 2016
- "Nurturing Faculty Vitality in Changing Times." Regional Medical Campus Annual Meeting, March 2016
- "Wired for Success in Academic Medicine." American Association of Medical Colleges (AAMC), Mid-Career Woman Faculty Professional Development Seminar, December 2011/December 2012
- "Leveraging Diversity and Inclusion to Transform our Institutions." American Association of Medical Colleges (AAMC), Group on Faculty Affairs (GFA)/Group on Diversity and Inclusion (GDI), Professional Development Conference, August 2012

Additional National/ International Presentations and Workshops

- "Crafting Compelling Leadership Narratives: Mastering the STAR Method" Meg Keely, Geeta Menon, **Darshana Shah**, Sarah Wood. Workshop presentation at Harvard Macy, Leading Innovation in Healthcare and Education, June 2024
- Mentoring Certificate program M-REACH at International Association of Medical Science Educators Annual Conference, June 2024

- “Mentor Training: An Evaluation of Outcomes and Effectiveness of a Structured Mentor Certification Program “Alice Fornari and Darshana **Shah** Small group presentation at The Association for Medical Education in Europe (AMEE), Basel, Switzerland, August 2024
- Mentoring Certificate program M-REACH at International Association of Medical Science Educators Annual Conference, June 2023
- “Team Science 101” International Science of Team Science Virtual Conference, June 2020
- Fundamental of Team Science, University of Nebraska Medical Center, May 2020
- “An individualized approach to support academic publishing”. An International Association of Medical Education of Europe (AMEE). Vienna, Austria. 2019
- “The Science of Teams: Developing and Transforming Effective Teams” An International Association of Medical Education of Europe (AMEE). Basel, Switzerland. 2018
- “Strategies to Promote Faculty Vitality in Academic Medicine”, WebEx sponsored by the Association of American College of Medicine (AAMC). 2018.
- Building effective teams through the Science of Team Science. Leading Innovation in Healthcare and Education, Harvard Macy Institute Boston. MA., June 2018
- “Team Science: Facilitating Collaboration and Research” WVCTSI, Annual Meeting, Morgantown, WV.
- “Team Science Understanding and Improving Team Dynamics” WVCTSI, November 2017
- “Great Teams Don't Happen by Accident: Building an Effective Team Requires Science as Much as Art.” Darshana Shah, Ph.D., Luanne E. Thorndyke, M.D., F.A.C.P., R. Kevin Grigsby, MSW, DSW., Post-conference workshop, Group on Faculty Affairs Annual Meeting, July 2016
- “Map to Success: Navigating the Path to Scholarly Publication.” A Group for Research in Pathology Education (GRIPE), January 2016
- “Mentoring to Make a Difference.” Group for Research in Pathology Education (GRIPE), January 2015
- “Career Mapping for Mid-Career Faculty.” The session offered at the AAMX Mid-Career Women Faculty Professional Development Seminar, December 2011/December 2012
- “The Outcomes Logic Model: An Approach for Program Planning and Evaluation.” Workshop presented at the International Medical Science Educators Meeting, June 2011
- “Effective Course Director.” Workshop presented to Undergraduate Medical Education Directors as part of the APC Annual Meeting, July 2011
- “Creating a Career in Academic Medicine.” Faculty facilitator for the Organization of Student Representatives/Group for Women in Medicine and Science, American Association of Medical Colleges (AAMC) Annual Conference, November 2011
- “Leadership for Pathology Course Directors.” Workshop presentation at the Group for Research in Pathology Education (GRIPE), Annual Meeting, December 2011
- “JCESOM Academy of Medical Educators; Model Based on the Principle of Positive Deviance.” Session presented at the Group for Research in Pathology Education (GRIPE) Winter Meeting, December 2011
- “Learning Style: Application for Educational Planning.” Academy of Medical Educators (AME), 2011
- “Evaluation: A Challenging Component of Teaching.” Talk presented to faculty at Marshall University, Joan C. Edwards School of Medicine (JCESOM), 2011
- “Academies Collaborative Comes to the SGEA: A Discussion of the Challenges That Must Be Met to Sustain a Successful Academy of Medical Educators.” Workshop presented at the American Association of Medical Colleges (AAMC), Southern Group for Educational Affairs (SGEA), 2010
- “Motivating Your Faculty: Carrots over Sticks.” Workshop presented at the Group on Faculty Affairs (GFA) Annual Meeting, 2010
